

NOTE: Solid lines indicate bounds as determined by survey. Dashed lines indicate bounds not yet surveyed but approximated from deeds and/or computations.

NORTH CAROLINA
MONTGOMERY COUNTY
I, Joseph David Plowman
state that this map was drawn
by me and is based on a partial
survey made by me in 1988 and
in expectation of conducting
a complete survey. Dashed lines
indicate bounds not yet
surveyed and no assurance
is given as to their accuracy as they
are derived from deeds
and computations rather
than from actual survey.
This 27th day of May, 1988.
